G+ Log Out	Check off the records you'd like to request access to and then click "Connect to student" to complete the process.
	FEPA gives parents access to their chief's education records, an opportunity to seek to have the records arended, and some correct over the disclosure of information from the necods. With investile acception, which must have a student's consert prior to the disclosure of education records after that student is 18 years old. Understanding FEPA
